

800,000 children and adults with disabilities live in Haiti*

Healing Hands for Haiti
1999-2009

let us help you... help at least one... to a better life

Martine's surgery for birth disability was sponsored, enabling her to walk by age 2.

Healing Hands for Haiti is dedicated to fostering rehabilitation services and educational programs for adults and children with physical disabilities in Haiti.

We believe that the best way to serve the people of Haiti is to enable them to help themselves.
